

<STATE> Recommendations

<Civic Tech Organization> | <Month Year>

Executive Summary

The following recommendations are the result of the collaboration between <STATE AGENCY> and <CIVIC TECH ORGANIZATION>. Together, we set the north star goals of <GOALS>.

Through an intensive discovery sprint, we came to policy and implementation consensus on the below recommendations.

	Recommendation	Approx. Impact
1		
2

Background

The following recommendations are the product of the collaboration between the <STATE AGENCY> and <CIVIC TECH ORGANIZATION>. These recommendations were generated as part of the Public Health Emergency Unwinding Digital Technical Assistance Project Charter and following a discovery sprint focused on how to reduce Medicaid administrative churn in <STATE> during the unwinding period.

North Star Goals:

- <GOAL>
- <GOAL>
